Further particulars will be given upon application to Agents of the Company.

Which we undertake to forward to the nearest point of destination reached by this Company, subject expressly to the following conditions, namely: This Company is not to be held liable for any loss or damage, except as forwarders only, nor for any loss or damage by fire, by the dangers of navigation, by the act of God, or of the enemies of the Government, the restraints of Government, mobs, riots, insurrections, pirates, or from or by reason of any of the hazards or dangers incident to a state of war. Nor shall this Company be liable for any default or negligence of any person, corporation or association to whom the above described property shall or may be delivered by this Company, for the performance of any act or duty in respect thereto, at any place or point off the established routes or lines run by this Company; and any such person, corporation or association, is not to be regarded, deemed or taken to be the agent of this Company for any such purpose, but, on the contrary, such person, corporation or association shall be deemed and taken to be the agent of the person, corporation or association from whom this Company received the property above described. It being understood that this Company relies upon the various Railroad and Steamboat lines of the country for its means of forwarding property delivered to it to be forwarded, it is agreed that it shall not be liable for any damage to said property caused by the detention of any train of cars or of any steamboat upon which said property shall be placed for transportation; nor by the neglect or refusal of any Railroad Company or Steamboat to receive and forward the said property.

It is further agreed that this Company is not to be held liable or responsible for any loss of, or damage to, said property, or any part thereof, from any cause whatever, unless in every case the said loss or damage be proved to have occurred from the fraud or gross negligence of said

Company or their servants; nor in any event shall this Company be held liable or responsible; nor shall any demand be made upon them beyond the sum of Fifty Dollars, at which sum said property is hereby valued, unless the just and true value thereof is stated herein; nor upon any property or thing unless properly packed and secured for transportation; nor upon any fragile fabrics, unless so marked upon the package containing the same; nor upon any fabrics consisting of, or contained in, glass. If any sum of money besides the charges for transportation is to be collected from the consignee on delivery of the above described property, and the same is not paid within thirty days from the date hereof, the shipper agrees that this Company may return said property to him at the expiration of that time, subject to the conditions of this receipt, and that he will pay the charges for transportation both ways, and that the liability of this Company for such property while in its possession for the purpose of making such collection, shall be that of Warehousemen only. In no event shall this Company be liable for any loss or damage unless the claim thereof shall be presented to them in writing at this office within ninety days after this date, in a statement to which this receipt shall be annexed. And it is also understood that the stipulations contained herein shall extend to, and inure to, the benefit of each and every company or person to whom, through this Company, the above described property may be intrusted or delivered for transportation. Deliveries at all points reached by this Company are only to be made within the delivery limits established by this Company at such points at the time of shipment, and prepayment in such cases shall only cover places within such delivery limits. The party accepting this receipt hereby agrees to the conditions herein contained.

For the Company,

W. A. Graper Agent.

SPECIAL RATES for packages of seven pounds or less, also printed matter, between nearly 6,000 offices of this Co. and to offices of nearly all connecting Expresses.

MONEY TRANSFERS BY TELEGRAPH to all important Cities and Villages.

The Tariffs of this Company will always be as low as by any responsible Express Company.

This Company's system of Through Cars between principal Cities, and through trunks for parcels, saves shippers Loss, Damage, Delay and Annoyance.

AMERICAN EXPRESS COMPANY Money Orders.

Issued at all Offices of the Company. Payable at 15,000 places in the United States, Canada and Europe, and practically good everywhere.

The only system of sending money through the mails furnishing a receipt which, in case orders are lost, delayed, stolen or destroyed, insures the purchaser against loss.

The rates are less than for any other method of sending money where absolute security is afforded.

Express Money Orders can be purchased during any hour of the day, and no written application is required.

For remittance by mail to Europe these orders are preferable to all other mediums of exchange; Rates are less than those usually offered by others; Payee will always receive the full equivalent in the currency of the country where payable.

Travelers, whether at home or abroad, will find in these orders a most convenient way to carry funds with perfect safety, and a simple plan of identification.
